## 4<sup>th</sup> Annual "Walk For The Future" Walk-a-thon

In the last 18 years, Agapé Boarding School has helped thousands of young men receive a quality education, learn a variety of vocations, receive structure in the development of character and wisdom, and become productive members of society. Agapé has also been the second chance for many drop-outs that were deeply involved in drugs, gangs, or a life on the streets. To keep the dream alive and to serve the next generation of our country's young people, we are conducting our 4<sup>th</sup> annual "Walk For The Future" walk-a-thon!

I would very much appreciate your sponsorship on this "Walk For The Future". I plan to walk ten kilometers with the rest of my school on May 29th. With your help I can also earn many valuable awards and prizes!

Your tax-deductible gift would be greatly appreciated. By enclosing your check for a flat donation, we would also be able to save money by not having to bill our sponsors.
